Truman Scholarship

The Truman Scholarship Foundation was established by Congress in 1975 as the federal memorial to our thirty-third President. The Foundation awards scholarships for college students to attend graduate school in preparation for careers in government or elsewhere in public service. The activities of the Foundation are supported by a special trust fund in the US Treasury.
Eligibility

- Be a full-time students who will graduate between December 2020 and August 2021
- Be a US citizen
- Plan to pursue a graduate degree (MPA, MPP, JD, MEd, MIA, MSW, MPH, and master's or doctorate degrees in fields in which most graduates go into public service)
- Truman scholars are required to work in public service for 3 of the first 7 years following completion of a Foundation funded graduate degree.
Employment in Public Service

- government at any level,
- uniformed services,
- public-interest organizations,
- non-governmental research or educational organizations,
- public and private schools, and
- public service-oriented nonprofit organizations
Examples of Career Goals Sought by the Foundation

- managers, administrators, and analysts in federal, state, and local agencies;
- legislators, aides to legislators, and staff for legislative committees;
- teachers in public and private schools;
- foreign service officers and staff in international development and assistance organizations;
- professional staff in nonprofit and advocacy organizations to serve disadvantaged groups or to protect the environment;
- analysts and researchers for think tanks and policy research and development organizations; and
- attorneys for government agencies and legislative bodies.
Awards

$30,000 for master’s & professional degrees

Scholars also receive

► Leadership training (Leadership Week in May),
► Summer Institute during summer after graduation
► Career and graduate school counseling, and
► Special internship opportunities within the federal government
Criteria

- extensive records of leadership and community service,
- commitment to careers in government or elsewhere in the public sector,
- desire to influence public policies or education programs, and
- outstanding leadership potential and communication skills
CRITERIA

Extensive involvement in two or more of the following sets of activities:

- Student government and/or campus-based extracurricular activities;
- Community service-related activities that were not organized by my school or by my fraternity/sorority;
- Government internships, commissions or boards, advocacy or interest groups, nonpartisan political activities, or military/ROTC;
- Partisan political activities and campaigns.
Frequent Problems in Applications

- little evidence of leadership;
- lack of sustained community service involvement;
- seeking careers that do not fit the Foundation's definition of public service; and
- graduate study proposals lacking specifics on what they plan to study, which institution they hope to attend, and some discussion of the major courses.
